Commerce Gyan

Fee Management System | Quick Links

Click any blue title below to open its destination.

1. Main Admin

Manage students, fees, payments and receipts.

2. Student Portal

Share this link with students to view their own fee details.

3. Student Access Admin

Set or reset student passwords and revoke access.

4. Production Google Sheet

Institute database - administrator access.

5. Main Apps Script

Main backend editor - administrator access.

6. Student Apps Script

Student portal editor - administrator access.

7. Student Sharing File

Local text file containing the student portal link.

Opens only on the original computer; some PDF viewers block local file links.

Share only the Student Portal link with students.

This PDF also contains administrator links. Keep the PDF for institute use.
